

EGAN BOLD™

# EGAN BOLD™

The Postmodern Markerboard, another Egan first. Many new professional environments are embracing old elements and using them in new ways – polished concrete, exposed wood, and metal are everywhere.

Complement those environments – or add a post-modern splash to another environment, with Egan Bold- The postmodern markerboard. Featuring a modern EVS™ infill for a guaranteed-to-clean erase guarantee in a matte white finish, framed in bold fashion in leather, denim, or your choice of fabrics.

Bold frame design in a 2" radius

Make a statement with a bold 2" frame in Leather, Denim, or EganFabric

Customize by specifying from the Maharam program, or COM

## BOARDER MATERIALS

---

Perfect for any décor style, our study black bonded leather frame comes with a delicate outer edge stitched into a beautifully crafted, even surface that comes in a smooth rich finish.

### LEATHER

---

A staple in the fashion industry, this hard-wearing twill fabric has been a favourite among workers for centuries. Finely woven into the frame, this tough fabric adds a post modern appeal to any office.

### DENIM

---

Contemporary, eclectic, or traditional--no matter your style, upgrading your space has never been easier. Select from our library of over 2,000 fabrics and fit your office's aesthetic with our beautifully stitched
