Egan Visual becomes a Vendor on State of Georgia contract

Toronto, ON, January 28, 2015 - Egan Visual is pleased to announce that we are now a vendor on [Team Georgia Marketplace™ procurement system](#). Effective February 2, Egan professional grade presentation boards, lecterns, mobiles and open office products will be a click away from State of Georgia offices, universities, and schools.

The proprietary [EVSTM surface](#) featured on an array of Egan markerboards is guaranteed-to-clean writing and low-gloss projection compatible surface all in one. Certain markerboard models are magnet compatible, and additional utility is achieved with [EganINK™](#) custom graphics where grids, templates, and branding messages can be printed to add value.

Egan products are designed with an end user in mind, highly valued and recognized by successful local businesses to Fortune 500 companies. The configuration potential of any Egan product is second to none: choose from variety of finish colors, surface materials, features or installation options to complement any space. The products are easy to install and level of maintenance required is minimal.

"Egan has a successful relationship with the U.S. General Services Administration (GSA) procurement system and a number of state purchasing departments including Florida, California, New York, Alabama and more. The Department of Administrative Services (DOAS), State Purchasing Division, and Georgia state and local entities finally have access to a premium quality visual communication products," said Sean Brown, President of Egan Visual. "[Egan](#) is the leader in visual communication systems and I am confident state customers will find the right solution for their office furniture needs."
