

Aluminum Frame Markerboard

Egan Markerboards feature EVS™ surface or EganBoard Porcelain framed in clear anodized aluminum frame with either eased-curve or precision square mitered corners. Guaranteed-to-clean and never warp, Egan Aluminum Frame Markerboards are magnet-compatible, and are designed to complement curved or square corner frame Tackboards (MDTB), sold separately.

When specifying, it is important to notice that EVS and EganBoard Porcelain are designed with slightly different shades of white. When installed side-by-side, the difference in hue is noticeable. See the Egan Color and Finish Guide for details. Aluminum frame markerboards in square corner only are also available with a Full Length Integrated Aluminum Marker Tray (MFTE/MFTM).

MER, MDMB

Mount Options

Wall Mount Bracket: **W** Top Bracket: **T** System Mount: **S**

Top Mount brackets are universal and can be easily adjusted to accommodate any workstation panel measuring from 1 3/4" to 2 3/4" thick. Adjustable by 1/8" increments. Due to weight restraints 72" w x 48" h, 85" x 53", 96" w x 48" h and 120" x 48" boards are not available with Top Bracket or System Mount. Brackets are aluminum with a clear anodized finish. Custom colors are not available on the brackets. Plastic protective sleeves are included to assure no damage is caused to the system. For panels 2 3/4"-4" deep please specify EOEX at \$12.
