

Introduction to

Décor Panel Boxcore™

EGAN

Ultra-thin bezel 1 1/8" deep in Clear Anodized Boxcore aluminum frame

EganINK technology brings images to life

Rich and Vibrant Visual Communication

Décor Panel Boxcore is a professional and distinct way to add permanent visual communications to your space. Specify full color, full coverage, full bleed, bespoke graphics for aesthetic appeal, signage, wayfinding, and more. Egan Boxcore technology provides an ultra-thin Boxcore square corner frame finished in clear anodized aluminum, and is available in 3/4" (19mm) or 1 1/8" (29mm) depths with edges flush against the wall.

Printed in full density color so images look rich and vibrant, comparable to ASTM F793 10a Category I Wallcovering (Decorative).

Available in large volumes, customized or serialized, or in a minimum order quantity of one unit.

Egan Décor Panels are designed to complement Dimension Stele Boxcore and Egan Boxcore Presentation Boards.

Environmentally responsible through design, quality, value, and timeliness: Egan has been certified to have established and maintained a Quality Management System and Environmental Management System, which are registered to the ISO 9001:2008 and ISO 14001:2004 standards. Designed and manufactured in North America by Egan Visual Inc., leaders in visual communication products for the contract furniture industry for over 40 years. You can count on Egan products to be well-designed and well-built for years of hassle-free enjoyment.
