Magnetic, Versatile TableScreen

The rectilinear minimalist design of the Egan Dimension Stele Boxcore presentation board is available as a versatile, demountable office enhancement in the form of the Dimension Stele Boxcore TableScreen. Dimension Stele Boxcore TableScreen provides the award-winning EVS dry-erase surface. The distinct 1 1/8" (29mm) frame, with its ultra-thin bezel, can be specified in standard White, or Clear Anodized aluminum.

This product can be specified with EganINK custom lines, letters and graphics. Dimension Stele Boxcore TableScreens are available in standard heights of 8", 10", 12", 14" or 18" and standard lengths of 24", 30", 36", 48", 60" and 72". Additional sizes may be ordered through our Custom Response Program. Accepts magnetic accessories.

Environmentally responsible through design, quality, value, and timeliness: Egan has been certified to have established and maintained a Quality Management System and Environmental Management System, which are registered to the ISO 9001:2008 and ISO 14001:2004 standards. Designed and manufactured in North America by Egan Visual Inc., leaders in visual communication products for the contract furniture industry for over 40 years. You can count on Egan products to be well-designed and well-built for years of hassle-free enjoyment.
