

Introduction to

# Egan CR8™

EGAN

Shown above: Egan CR8 with optional door in Maple wood veneer finish.

## Innovative Modular Cube

Egan is pleased to announce the launch of the all new CR8 - an innovative modular case that when stacked together encourages different configurations to suit a variety of workplace needs.

On trend to create purposeful spaces in office and social spaces, Egan CR8 can be installed as a single unit, or can be stacked or ganged in multiples to create storage, benching, and interesting visual appeal. A standard CR8 is ready for almost any installation configuration, with or without the optional inset door. Like other Open Office and Lectern solutions from Egan, the CR8 is available in a variety of wood veneer finishes.

The possibilities are endless with Egan CR8.

Ships CKD and assembles in minutes with no tools, or a mallet..

See [goo.gl/sLxZD0](http://goo.gl/sLxZD0) for our configuration Inspiration Guide.

Create storage and interesting visual appeal.

Ideal for unique benching applications.

Custom size VersaJOT applied to Egan CR8 for dry-erase functionality.

Environmentally responsible through design, quality, value, and timeliness: Egan has been certified to have established and maintained a Quality Management System and Environmental Management System, which are registered to the ISO 9001:2008 and ISO 14001:2004 standards. Designed and manufactured in North America by Egan Visual Inc., leaders in visual communication products for the contract furniture industry for over 40 years. You can count on Egan products to be well-designed and well-built for years of hassle-free enjoyment.
