

Introduction to

EganSIO™

EGAN

A Real Workstation

Egan SIO™ extends the Egan modern lectern series with a highly practical and highly customizable unit. Giving the room a slightly modern look, available in all Egan standard eTex colors (with options), Egan SIO has a distinct look with everything nested neatly between two gables.

In base configuration, Egan SIO offers plenty of workspace on its flat, bordered surface, with room for a laptop on its standard pull-out shelf.

Ample storage underneath makes the Egan SIO a real workstation. Optionally, specify a side-mounted document viewer shelf, a top-facing interactive monitor, cup holders, casters, a custom-engraved logo on the front, and more. Ships CKD or assembled per your specification.

Place a laptop on the optional pull-out shelf.

Additional options available.

Lockable storage underneath.
