

# Egan SIO™

Egan SIO™ extends the modern lectern series with a highly practical, highly customizable unit. Giving the room a slightly modern look, available in all Egan standard Etex colors, Egan SIO has a distinct look with everything nested neatly between two gables. In base configuration, Egan SIO offers plenty of workspace on its flat, bordered surface, with room for a laptop on its standard pull-out shelf. Egan SIO features ample storage underneath and includes base leveling feet. Egan SIO ships CKD unless otherwise specified.
