

EganAero™ Boxcore™

Writing on EganAero™ is a joyful exercise in precision, and yields crisp, clear legible results. EganAero is the world's best-performing glass markerboard and in Boxcore™ configuration features glass thinness of 1mm installed in a 3/4" (19mm) deep frame with ultra-thin bezel that sits flush on the wall. EganAero Boxcore is constructed using Egan Boxcore technology which provides a rigid frame and permits portrait or landscape orientation in the field.
