

EganONE Pro Cart™

The EganONE design intent contemplates a small plurality of people working together temporarily as they collaborate to achieve one unified voice or vision going forward. EganONE products carry a modern, slightly industrial look and design, characterized by Etex and anodized aluminum features. The EganONE Pro Cart™ brings you all the functionality you want in one cart.

Professional Grade construction: Etex finish, robust and clean Clear Anodized (CA) aluminum verticals, laser-cut steel feet, and industrial strength, total-lock casters featuring a 220 lb weight rating per wheel.

Project Cart capable: cabinet and drawer storage areas for binders, samples, and documents.

Projector Cart capable: accomodates standard, short throw, and ultra-short throw projectors, which can be secured through the top.
