

GlassWrite™ Lumens TableScreens™

Egan lights the way on the leading edge of vertical writing surfaces and space dividers. GlassWrite™ Lumens TableScreens™ are base lit with high-efficiency LED lighting to rim the 1/2" (12mm) thick, frameless Starphire® or OptiWhite® low-iron glass upright panel with a stunning optical effect that gives them an ethereal, gemstone quality. A subtle and angular outline of low-intensity light separates each work surface from its neighboring area and creates an impression that only Egan Visual can offer.

This product is available in standard heights of 8", 10", 12" or 14" and standard lengths of 24", 30", 36", 48", 60" and 72". Additional sizes may be ordered through our Custom Response Program.

GlassWrite Lumens TableScreen (TSG)

Code	Dimensions	Price
TSG24X8	24"w x 8"h	\$780

Surface

Code	Description
GC	Glass Clear
GF	Glass Frosted, one side

How To Order:

What's in the box:

- Ships with two (2) assorted color Dry-Erase Markers and one (1) EganCloth

Product notes:

- Frosted one side not dry erase
- Glass infill is specified as a single panel
- For custom sizes use price from the next larger size. For example: 20"w x 12"h use pricing from the next larger size (24"w x 12"h)
- Inquiries for sizes larger than 72"w x 14"h will be addressed as Custom Response. Certain limitations may apply. Contact Customer Service for more information
- Requires 110V power outlet. Power supply and cord are included
- Guaranteed-to-clean infill
- Not magnet-compatible

Parcel Service items (📦) ship 'Freight Included'.
Instant Ship products are identified by combining codes indicated in **RED**.
