

# GlassWrite™ Shapes

Egan GlassWrite™ Markerboards are now available in custom shapes! Working with initial direction from designers and clients, the Egan Engineering team will develop solutions that work within the Egan manufacturing process. Email your art shape to [customerservice@egan.com](mailto:customerservice@egan.com) for approval.

GlassWrite Shapes is mounted using Post/Captive Stanchion Mount. General shape rules include a minimum curve radius of 3 1/4", and a minimum width of 6" on 'ear' of a polygon or any irregular protrusion. In certain circumstances minimum specifications can be smaller - call Customer Service for spot quote. Maximum outer dimension is 96"w. GlassWrite Boards are 1/4" (6mm) thick tempered glass, and available clear, frosted, or in colors.
