

# Linked Aluminum Frame Markerboard & Tackboard

Featuring high-performance EVS™ or EganBoard Porcelain and aluminum frames with either eased-curve or precision square mitered corners. Link any combination of Linked Markerboards and Tackboards to create a superior quality communication wall 24"-96" high. When specifying, it is important to notice that EVS and EganBoard Porcelain are designed with slightly different shades of white. When installed side-by-side, the difference in hue is noticeable. See the Egan Color and Finish Guide for details.
