

Egan Lite Screen Door

Egan Lite Screen Door features a unique weighted trip-free base with exceptional stability and rotation through 360°. A 90° notch in the base provides compatibility with any wall or partition system. The no-lock front caster rolls smoothly and ensures the door will fold back to permit free traffic flow. Non-magnetic EVS™ dry-erase surface is offered full height or split height. EVS is guaranteed-to-clean. For best, dust-free results, use quality dry-erase markers, and clean with an EganCloth™.
