

Multitouch Interactive Flat Panel

Egan TeamBoard Interactive Flat Panels (IFPs) bring bright, digital content to your presentation and collaboration space. Finger-touch interactivity with our Multitouch and MultiUser interface has never been simpler. The Egan TeamBoard IFP requires no special software to bring your content to life. Easy to install, deploy, maintain and use.

Detect up to 5 points of static or dynamic touch simultaneously, detect gestures and writing from two users at the same time and detect input from almost any device. Plug and Play with Windows 7[®] or better.

Egan TeamBoard IFPs are available in 55", 65", 75," and 86" outer diagonal sizes.

Please contact your Egan Visual Sales Rep or contact sales@egan.com for information and pricing.
