

Introduction to

TecTern™ III

EGAN

Make a Statement

TecTern™ III brings a decidedly modern and sleek aesthetic to the Egan technology lectern series. With soaring lines and swooping expanses of clean space, TecTern III makes an intelligent statement about the presenter and the presentation.

Interactive presentations are easy, with a fully-integrated interactive flat panel - finger touch control that even guest presenters can use, because it connects to the PC with no drivers to install.

With room for options - a cup holder, a microphone, room controls - the presenter enjoys complete control of their environment.

Storage for additional options.

Make an intelligent statement about your presentation.

Interactive touch screen flat-panel.

Modern and sleek aesthetic.

Environmentally responsible through design, quality, value, and timeliness: Egan has been certified to have established and maintained a Quality Management System and Environmental Management System, which are registered to the ISO 9001:2008 and ISO 14001:2004 standards. Designed and manufactured in North America by Egan Visual Inc., leaders in visual communication products for the contract furniture industry for over 40 years. You can count on Egan products to be well-designed and well-built for years of hassle-free enjoyment.
