

TecTern™ S2

The popular TecTern™ series takes inspiration from the highly customizable 202 series instruction lecterns, bringing high functionality in a contemporary design and modest footprint. TecTern S2 features the size-class of TecTern TWO, but introduces a base and crown that can be specified to your needs. Highly tech friendly, beginning with space for a laptop. Tech is accessible with front and back access panels. At the side, slide out the integrated visualizer deck for comprehensive presentations.
