

TecTern™

Electronically height adjustable for universal access and A.D.A. friendliness, the TecTern™ creates opportunities for exciting presenter-audience interaction. Features include an optional built-in finger-touch monitor that allows you to control your presentation directly from TecTern. Interactive presentations are now possible in lecture halls, theatres, and other large-audience settings. TecTern adds functionality to make your presentations come alive with digital annotations and more, all with the touch of a finger. TLTM includes annotation software.
