

# V-Series GlassWrite™ MAG Mobile

Robust, Clear Anodized aluminum frames; substantial base with easy-swivel casters; glass surface infill - specified from a host of under-glass infill options including perforated steel, custom colors, bespoke lasercut steel patterns, and EganINK™. The end user enjoys high functionality of an appealing dry erase surface that accepts Egan NeoMagnets (for attaching photos, documents, samples), all in a mobile that permits messaging or simple influence on sound, light, and sightlines.
