

# VersaCabinet Boxcore™

VersaCabinet Boxcore™ utilizes the VersaCabinet body and offers increased functionality and a modern design aesthetic with new front-of-cabinet surface options for additional work space, tacked notes, or even custom graphics. Door front infill can be specified in EVS™ (magnet-compatible), Décor Panel or tackable fabric panel. The back of the door shows Boxcore frame, and features an EVS dry-erase guaranteed-to-clean writing surface, also magnet and projection compatible. Egan Boxcore technology brings crisp edge definition and durability, emphasizing the cabinet's clean lines and modern appearance.

Choose from single or double door cabinet models, which feature EVS dry-erase, guaranteed-to-clean surface on the interior of the cabinet (both body and rear of door). Optional accessories, which include Egan NeoMagnet (ACEAMAG) and Egan Tack Panels (TP) are sold separately. Accepts both standard and Egan NeoMagnet on the door front, door interior and body.

Mounting cleats included for flush mount installation. Flipchart and cabinet locks are not available. Custom Size is subject to spot quotation of the price, MOQ, and lead time. Custom Color for frame is subject to spot quotation of the price, MOQ, and lead time.
