

# VersaPRO<sup>®</sup> MAG Wallcovering

VersaPRO<sup>®</sup> Mag is a guaranteed-to-clean presentation wallcovering that is also magnet-compatible. VersaPRO Mag also simplifies installation: install the magnetic sheet to the wall, then snap the VersaPRO Mag into place - magnetically. Final product is magnet-compatible and can be field cut around switches and other wall features by your installer. VersaPRO Mag is compatible with VersaPRO Trim, and EganSystem 202 Upper and Lower Track Options (to trim both upper and lower horizontal edges).

VersaPRO Mag has a maximum height of 36", and maximum width of 7', and should be specified as one continuous piece as matching seams is not recommended. Double cutting in the field is not recommended.
