

Wood Veneer EganLectern

The Classic 'Front of House' lectern in your choice of real wood veneers. Two casters on the presenter's side assure the lectern can only be moved by tipping the unit onto the casters (prevents 'run-away' when you lean upon the lectern). Lockable storage and wiring grommets for field set-up of laptops, tablets and microphone. A 17° angled surface with a lip on the bottom is suitable for reference notes.
