CLASSIC BOARDS

# CLASSIC BOARDS

## TIMELESS ELEGANCE

---

Designed and crafted using the highest-quality materials, with Egan Classic Boards specify your choice of infill in Aluminum Frame or Hardwood Frame. Whether standard, configured or custom, classic boards may be specified with the surface of your choosing. Choose either EVS surface, EganBoard porcelain, or tackable fabric. EVS and Porcelain boards are magnet-compatible and never warp. EVS has a projection compatible surface and is guaranteed-to-clean.

With plenty configuration, our products will fit seamlessly into any space, not only enhancing your environment, but also the way you work and how to communicate your ideas. Dream it, draw it, or display it - with Egan, find the solution to complete thinking.

### Key Features:

- Solid hardwood frame or clear anodized aluminum frame
- Infilled with either EVS, EganBoard Porcelain, or Tackable substrate (Fabric, EcoTack, cork).
- Guaranteed-to-clean with EVS
- Projection compatible with EVS
- Magnet-compatible
- Cleat Mounted
- Linked configuration
- EganINK (not dry erase compatible)
- Custom Size
- Customer's Own Material

Aluminum Frame Markerboard | EVS Infill | Clear Anodized Frame | 72"w x 48"h

Hardwood Frame Markerboard | EVS Infill | Walnut Finish | 72"w x 48"h

## ALUMINUM FRAME BOARD

These boards feature clear, anodized aluminum frames with square mitered corners, and is available with an exquisite custom-fit Full Length Aluminum Marker Tray. The Tray's clean edges and contemporary design blends perfectly with the Clear Anodized frame.

## LINKED ALUMINUM FRAME BOARD

Link any combination of markerboards and tackboards to create a superior quality communication wall 24"-96" high. The clean, robust frame isn't just for looks – it features a strong, integrated mounting system that makes level installation a breeze, keeps the board stable while in use, and can be reoriented in the field between portrait and landscape.

## **HARDWOOD FRAME MARKERBOARD**

Hardwood Frame boards feature EVS, tackable fabric or porcelain encased in a solid hardwood frame with a 1/2" bullnose edge. Satin lacquer in an open-grain finish gives this robust board excellent appeal. Choose from eight wood veneer options or a custom stain to complement your traditional or postmodern space.

## HARDWOOD FRAME MARKERBOARD

Link any combination of markerboards and tackboards to create a superior quality communication wall 24"-96" high. Encased in the one-inch hardwood frames and ½" bullnose corner detail, mix and match between high-performance EVS, EganBoard porcelain, natural cork or from a library of tackable fabrics.
