

EGAN

LECTERNS

STAND OUT ON STAGE

Egan Visual offers an exceptional array of lecterns and presentation centers to accommodate all environments where information is shared. From the sophistication of our Technology series to the beauty of our Classic series, Egan's wide range of style and finish options make it easy to integrate lecterns as the highlight of any design.

When building your lectern with Egan, our commitment is to ensuring that you, and your message: stand out on stage.

TECHNOLOGY LECTERNS

Egan's Technology lecterns combine contemporary design with on-board technology management. Without the need for a remote or mouse, the seamless control throughout presentations will inspire confidence in both speaker and audience.

Our Technology lecterns range in features such as dynamic height adjustment, interactive touch screens, and customizable design specifications.

CLASSIC LECTERNS

Bring warmth to the stage with simplicity and selection of wood stain finishes. Like our Contemporary lecterns, Egan Classic lecterns are designed for settings that call for an attractive and pragmatic presentation.

The Classic series features effortless mobility and height adjust-ability, as well as ample surface space and storage. Custom wood stain and printed graphics are also available.

We facilitate creativity, promote the sharing and capturing of ideas while seamlessly and beautifully complementing the existing workspace. We inspire the minds today, that will inspire the future. We are the blank canvas that gives life to the beginning of an idea.

We offer a wide range of well-designed, productivity enhancing products that can be configured and sourced as either self-standing or integrated for a systematic solution that enhance and complement the people, the assets within the work space and provide a blank canvas for ideas to spark.
