

The Egan QuickShip list is a collection of Egan's most popular products and sizes that can be shipped within 5 business days of receiving an order\*.

**The Aluminum Frame Markerboard** is a classic. Our proprietary dry-erase surface, EVS, is a commercial grade surface that can withstand the toughest environments and is guaranteed-to-clean. With a magnetic backer infill, the Aluminum Frame markerboard is magnet compatible with a clear anodized aluminum frame, precision squared mitered corners and will never warp.

**Dimension 13** is an elevated design on the traditional markerboard. Fully wrapped in EVS, Dimension 13 is a 1/2" (13mm) frameless board that beautifully blends into your environment; designed specifically for free flow thinking, with clean lines to keep the mind clear and free from distraction.

**GlassWrite** is a backpainted white, frameless glass board. Egan uses high quality, tempered safety glass that has no tint and will not distort the color of your board. Cleat mounted and neo-magnetic compatible. GlassWrite non-magnetic boards also available in white only.

**V-Series Mobile** features EVS dry-erase surface on both sides that accepts magnetic accessories. The V-Series frame is defined by robust, clear anodized aluminum.

	V-Series Mobile	Dimension 13	GlassWrite MAG	GlassWrite Non-magnetic	Aluminum Frame Markerboard
48"w x 48"h	-	\$1,310	\$1,840	\$1,510	\$730
