

# 202 EganLectern

The Classic 'Front of House' lectern updated with the 202 design. Aluminum extrusions frame your choice of real wood veneer or durable Etex finish. Lockable storage and wiring grommets for field set-up of laptops, tablets and microphone. A 17° angled surface with a lip on the bottom is suitable for reference notes. Two casters on the presenter's side assure the lectern can only be moved by tipping the unit onto the casters. This design prevents 'run-away' when you lean upon the lectern.
